- Speaking
- Writing

Other components (Sub-skills):

- Grammar
- Vocabulary
- Pronunciation

To write clearly, it is essential to understand the basic system of a language. In English this includes knowledge of grammar, punctuation and sentence structure. Vocabulary is also necessary, as is correct spelling and formatting.

Writing

Definitions:

- Writing is the process of expressing ideas in a written form; or
- It is the process of using symbols (letters of the alphabet, punctuation and spaces) to communicate thoughts and ideas in a readable form.

Types of Writing

Based on purpose:

1. Expository – Explains or informs
2. Descriptive – Creates a picture with words
3. Narrative – Tells a story
4. Persuasive – Convinces the reader

Examples: Expository (news article), Descriptive (Bamyan landscapes), Narrative (Malalai of Maiwand), Persuasive (quality education)

Based on form:

- Academic writing
- Creative writing
- Business writing
- Technical writing
